Tugas

1. Buatlah segitiga menggunakan Loop Statement.
2. Simpan code ke dalam file PDF.
3. Submit file PDF ke LMS Digital Skola.

Jawab

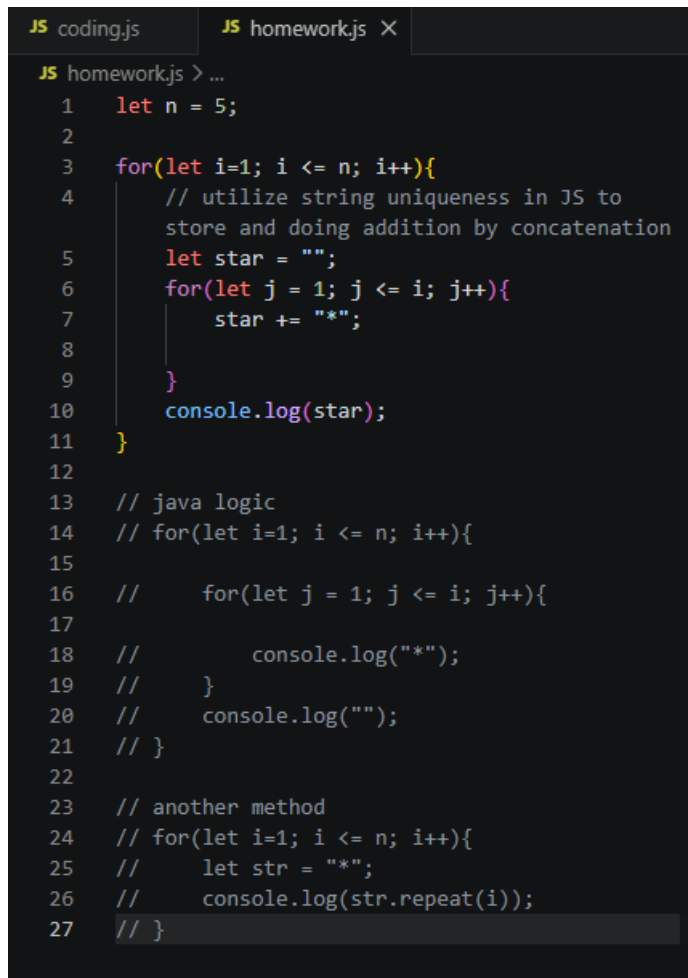

Code:

```
let n = 5;
for(let i=1; i <= n; i++){
  // utilize string uniqueness in JS to store and doing addition by concatenation
  let star = "";
  for(let j = 1; j <= i; j++){
    star += "*";
  }
  console.log(star);
}

// java logic
// for(let i=1; i <= n; i++){
//   for(let j = 1; j <= i; j++){
//     console.log("*");
//   }
//   console.log("");
// }

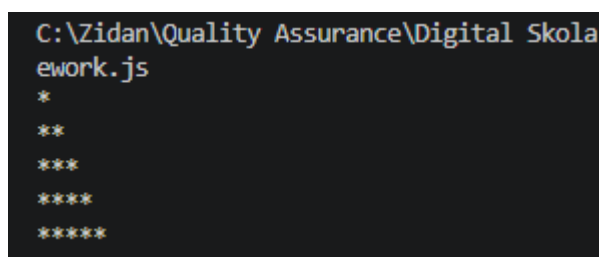

// another method
// for(let i=1; i <= n; i++){
//   let str = "*";
//   console.log(str.repeat(i));
// }
```
